

**Mr. Arun Misra, VP (Project Gopalpur)
&
MD, Tata Steel SEZ Ltd**

Mr. Arun Misra has been working with Tata Steel at various capacities since 1988. He is an alumnus of IIT, Kharagpur. Misra started his career as maintenance engineer in the Coal Washeries, and moved to lead the Coal Beneficiation Group at West Bokaro in the capacity of Chief (Coal Beneficiation) in the year 2003. He was appointed as Deputy Vice President (Operations-KPO) of Tata Steel in 2012 and subsequently he was designated as Vice President (Operations, KPO) in 2014. At present, he is serving as the Vice President (Project Gopalpur) and Managing Director (Tata Steel SEZ Ltd), a 100% subsidiary of Tata Steel Ltd. He is also the Vice President of Indian Institute of Mineral Engineers and has published papers in their journal of national repute. He is credited with the unique achievement of upgrading Indian semi-coking coal of high impurities to imported coking coal quality.
