

Mr. Ashutosh Jaiswal is heading Imports, Exports, CFS, Shipping, International Trading, Pesticide Business for Century Plyboards (I) LTD. Mr. Jaiswal brought in the first diversification of business in the company by success acquisition and operation of Falta Jetty, Kolkata. This gave a big leap to the company in their imported timber business. Under his leadership the Group's second diversification was realized in 2008 with the operation of the first private CFS in Kolkata followed by the second largest CFS operation in Kolkata in 2010. He also steered the Group's foray into shipping sector by acquiring a Supramax dry bulk carrier 'Aegis Fortune' in 2013. Presently he is working on the expansion of the Group's logistics business on a pan-India basis. Mr. Jaiswal is also the Vice President of Eastern India Shippers Association, and the President of Eastern Chapter of National Association of Container Freight Stations (NACFS).
